many people enter new seasons of life with old mental systems and they fail they marry but think like singles they become parents but live like children they become leaders but behave irresponsibly they enter opportunity but walk with poverty thinking this book exposes why people fail after promotion why marriages collapse why leadership falls why nations stagnate and how updating your vision mindset and identity is the only key to real success this is not just a motivational book it is a spiritual and practical system upgrade for destiny

organizational behaviour as a management discipline is a fascinating subject and is becoming increasingly important as people with diverse backgrounds and cultural values have to work together effectively and efficiently this book addresses all the issues that come in to play in an organization in today s global economy it has a novel orientation and its primary aim is to let practitioners and students know the latest and best trends in organizational behaviour this book prescribes methods to manage employees and suggests that the management takes responsibility for everything that might adversely affect an employee s capacity to work creatively and intelligently irrespective of the place inside the organization or outside it the focus of the book is on holistic development of the individual peeping into the human mind it shows how organizations can tap the passions and fears of their employees to make them more creative and productive the book prescribes a democratic and inclusive management stye a special feature of this book is that there is an innovative integration of chapter objectives and summaries leading to analysis through caselets every point in the objectives has corresponding text and is supplemented by a case going through this book will be a personally fulfilling experience and maybe it succeeds to make the readers better human beings better

teachers better friends and may be even better managers

the lord s resistance army is africa s most persistent and notorious terrorist group led by the mysterious joseph kony it has committed a series of horrific human rights abuses including massacres and mutilations since the mid 1980s it has abducted tens of thousands of people including large numbers of children forced to train as fighters the ic in 2005 issued warrants for kony and his top commanders and the united states is backing a military campaign against the group but the lra survives continuing to inspire both fascination and fear authoritative but provocative the lord s resistance army provides the most comprehensive analysis of the group available from the roots of the violence to the oppressive responses of the ugandan government and the failures of the international community this collection looks at this most brutal of conflicts in fascinating depth and includes a remarkable first hand interview with kony himself

show managers of all stripes how to be key change leaders in today s world organizational resilience adaptability and agility gain new prominence awaken mobilize accelerate and institutionalize change with organizational change an action oriented toolkit bridging theory with practice this new edition uses models examples and exercises to help students engage others in the change process authors gene deszca cynthia ingols and tupper f cawsey provide tools for implementing measuring and monitoring sustainable change initiatives and helping organizations achieve their objectives the fourth edition includes new critical thinking exercises cases checklists and examples as well as updated coverage of key topics such as social media power dynamics decision testing storytelling and control systems

what happens when the international community simultaneously pursues peace and justice in response to ongoing conflicts what are the effects of interventions by the international criminal court icc on the wars in which the institution intervenes is holding perpetrators of mass atrocities accountable a help or hindrance to conflict resolution this book offers an in depth examination of the effects of interventions by the icc on peace justice and conflict processes the peace versus justice debate wherein it is argued that the icc has either positive or negative effects on peace has spawned in response to the court s propensity to intervene in conflicts as they still rage this book is a response to and a critical engagement with this debate building on theoretical and analytical insights from the fields of conflict and peace studies conflict resolution and negotiation theory the book develops a novel analytical framework to study the court s effects on peace justice and conflict processes this framework is applied to two cases libya and northern uganda drawing on extensive fieldwork the core of the book examines the empirical effects of the icc on each case the book also examines why the icc has the effects that it does delineating the relationship between the interests of states that refer situations to the court and the icc s institutional interests arguing that the negotiation of these interests determines which side of a conflict the icc targets and thus its effects on peace justice and conflict processes while the effects of the icc s interventions are ultimately and inevitably mixed the book makes a unique contribution to the empirical record on icc interventions and presents a novel and sophisticated means of studying analyzing and understanding the effects of the court s interventions in libya northern uganda and beyond

the insurgency of the spirit taps mutli disciplinary methodologies of post colonial biblical scholarship and anthropology liberation theologies indigenous studies grief trauma research and nature meditation writings to shape a constructive retrieval of the animist jesus the vision that emerges is one that sets forward an earth loving jesus who challenges christians in particular to mobilize against the destructive relationship that exists

between imperial religion and political systems
