abra kadabra approaches the rogues gallery minus trickster with a proposition an offer of power and respect all they have to do is to destroy five targets at the same time unfortunately the rogues are killed when the targets are destroyed which sets neron free on the earth

as neron s power continues to grow the effects of his influence have taken hold of the earth the entire world appears to be erupting in waves of violence and panic the full might of the justice league pierces the barrier to the underworld and confronts neron s demonic army convinced that neron has captured superman they navigate through the circle of hell to find him neron meanwhile sits atop his throne with lord satanus kneeling before him satanus acknowledges neron s power and offers up his own sister blaze in exchange for lenience

in this issue neron starts to tempt the heroes with their greatest desires some tell him no others like blue devil take neron up on his offer only to find out like the villains did that there are consequences to saying yes to neron back in hell luthor and the joker force the trickster to tell them where neron s power is being stored they then manipulate circe dr polaris and abra kadabra into using their magic to open it

the apocalypse codex prophesizes the coming of the apocalypse unless of course the underground apocalypse resistance can prevent the apocalypse from happening however in the tricky process of trying to prevent the apocalypse the apocalypse resistance instead causes the apocalypse to begin is the zombie doomsday upon us in shadow of tomorrow hellrebel and helldevil are orphaned twins raised as day walking vampire hunters by the brotherhood of blood otherwise known down the road as the underground apocalypse resistance walking dead men wanted as vigilante outlaws hunted down by the law hellrebel and helldevil must hunt down the devil incarnate before the devil incarnate hunts down sin incarnate otherwise sin incarnate will give birth to death incarnate did you know robert louis stevenson penned dr jeekyll and mr hyde on a six day cocaine binge like dr jeekyll and mr hyde each one of us has a split personality the good side that we show off during the day and then that dark side that we try to keep hidden in the darkest corner of our closet i hide these episodes inside the closet we all have skeletons buried in our closet but me i have a cemetery buried in mine however i fear someone will unlock my closet i see it every night in my nightmares nightmares that wake me every night like frankenstein i see myself fleeing in fear running faster and faster rushing down a dark road disappearing through the snow swept woods growing darker amidst a bitter winter running farther and further away rushing through the wind swept wild it wanders wayward across unfolding virgin vistas as it wonders to god in heaven why the hell in the world are the rabid dogs in such ruthless pitiless relentless pursuit there are some dogs that bark however there are other dogs that bite save me from my sins before they catch up to me man makes his hell and my mind is mine save me from the devil and free my soul from this living hell as a walking dead man hunted down in the dead mans land yuppie city was hooked on male fuel male fuel turned you into a man male fuel turned you into a machine male fuel turned you into a monster however when bio cide went under bio cide city no longer mass produced male fuel the alice in wonderland withdrawal symptom of male fuel was that you developed violent zombie like behavior that turned you into a human beast that behaved like a zombie what was still left at the bio cide city was horded by humans that took refuge underground however for those that were still alive the underworld was not any better than the world they left behind following the graveyard wars the world of horrotica was reclaimed by the outcasts and the outlaws who

weathered the storm while living underground where the remaining remnants of the human civilization returned to the mortal world where the outcasts and the outlaws took control of the human world which became known as the lawless land

curating the great war explores the inception and subsequent development of museums of the great war and the animating spirit which lay behind them the book approaches museums of the great war as political entities some more overtly than others but all unable to escape from the politics of the war its profound legacies and its enduring memory their changing configurations and content are explored as reflections of the social and political context in which they exist curating of the great war has expanded beyond the walls of museum buildings seeking public engagement both direct and digital and taking in whole landscapes recognizing this fact the book examines these museums as standing at the nexus of historiography museology anthropology archaeology sociology and politics as well as being a lieux de mémoire their multi vocal nature makes them a compelling subject for research and above all the book highlights that it is in these museums that we see the most complete fusion of the material culture of conflict with its historical political and experiential context this book is an essential read for researchers of the reception of the great war through material culture and museums
