this revised and updated edition reflects the changes that have taken place within the field of leisure and recreation management in recent years issues such as social inclusion cultural strategy exercise for health have risen to the top of the policy agenda commercial pressures changes in the voluntary and public sector and emerging leisure professions such as sports development and playwork are all profoundly influencing the professional landscape leisure and recreation management is the only book to cover leisure history key leisure concepts trends provision management practices and operational issues in one

comprehensive volume leisure and cultural heritage the social and historic factors shaping current leisure themes in leisure recreation and play understanding leisure as a social leisure planning and provision in the public voluntary and commercial sectors leisure products exploring the key areas of tourism the countryside the arts and sport leisure management principles and practice for leadership staffing training programming event management leisure marketing and more exploring every key concept and innovation and with more student friendly textbook features than ever before leisure and recreation management is essential reading for student and professional interested in the theory and practice of managing leisure and recreation services and facilities

now in its fifth edition research methods for leisure and tourism has become the ultimate reference text for both students enrolled in undergraduate and postgraduate degrees and practising managers this book combines comprehensive coverage of a wide variety of qualitative and quantitative research methods with step by step guidance through research software including excel spss and nvivo key features coverage of both qualitative and quantitative research methods ensuring a balanced approach to data collection and analysis practical guidance on conducting research and writing reports showing the how as well as the what detailed coverage of the development of conceptual frameworks for research research design analytical methods and the composition of research reports providing everything required to conduct a research project international case studies and extensive examples from the leisure and tourism literature questions exercises and further reading for each chapter extensive web based support materials new to this edition the fifth edition has been fully updated throughout and includes additional material on management and policy related research methods endnote bibliographic referencing software notes on additional methods including big data discourse analysis multiple correspondence analysis netnography web based research people meters for the analysis of quantitative data spss is updated to version 23 for qualitative data analysis the guide to nvivo software is updated to version 11

leisure and recreation management is essential reading for anyone interested in exploring both the theory and the practicalities of managing leisure and recreational facilities

now in its fifth edition leisure in your life an exploration continues to offer its readers opportunities to expand their consciousness clarify their values and gain a better understanding of recreation and leisure in their own lives as well as the lives of others written as an introductory textbook for university and college undergraduates this book examines the critical role which recreation and leisure plays in society this edition is significantly expanded updated and revised with increased attention on leisure s relation

to health and well being the social demographic and economic trends that are reshaping leisure behavior organizations providing leisure services and how people use their free time thought provoking questions and exercises conclude each chapter to help the reader better understand the issues that affect his or her perception of recreation and leisure as well as how recreation and leisure influence his or her own life and the lives of others

this book illustrates how leisure as with other complex ideas that hold currency in today s world suffers at the level of common sense due to a combination of oversimplification moral depreciation and even lack of recognition leisure s modern legacy is both profound and immense as a product of approximately 45 years of steady research application and theory development the common sense view of free time activities therefore can and should be challenged stebbins provides this confrontation by tackling four particular themes that gatekeepers within the institutions of higher education and funding agencies for research often fail to attach adequate resources to the idea of leisure that the general population are guided by certain common sense definitions and largely unaware of how an informed view of free time could be beneficial that practitioners within certain fields continue to refuse to engage with the idea of leisure despite its benefit for their clients and that the weak reception of the science of leisure within mainstream social sciences suggests a similarly warped understanding of how people use their free time leisure s legacy will be of interest to scholars of leisure studies and all those wishing to learn more about the vital importance of leisure in modern western society

therapeutic recreation leadership and programming second edition emphasizes leadership within therapeutic recreation integrating the roles of recreation specialist and therapist design and lead programs that create leisure experiences and meet therapeutic goals following the highest ethical standards and best practices

gaining an understanding of the recreation and parks profession is crucial to success in the field and to effective leadership within the field recreation and parks the profession is a one of a kind resource that delineates the components that make this complex field a profession written by well known recreation authority betty van der smissen this book defines the marks of the recreation and parks profession and identifies the steps involved in becoming a professional in the field profiles 62 professional organizations within the profession provides a site that features a time line of the development of areas and organizations of the profession and the most up to date addresses for organizations detailed in the text outlines a comparative history of 15 categories of the recreation and parks field in the united states and canada and presents a classic to contemporary bibliography of resources that showcases an inclusive body of knowledge on the

profession part i describes recreation and parks as a profession and provides students with steps to lay a solid foundation to become a professional part ii grounds readers with a comparative historical overview of the recreation and parks field from the 1500s to the present day the author divides the field into 15 categories and offers suggestions on how to use the time line part iii profiles 62 professional organizations each profile includes the organization s mission goals structure history publications services and professional credentialing information in addition it lists the organization s sites contact information and other vital information that students use in completing course work in applying for internships and in researching various aspects of the profession part iv contains a bibliography of selected resources on recreation and parks from classic to the present recreation and parks the profession includes a site that not only provides links to other current sites for the organizations profiled but it also is linked to a color coded version of the time line the time line is ready to download print and use in the classroom or office this version of the time line provides the most effective way to obtain an overall picture of the historical comparison of the categories in the recreation and parks profession recreation and parks the profession is a unique resource for students professors and professionals in recreation and parks the text brings together the important aspects of the field as a profession

a long standing tradition of excellence is extended in the fourth edition of this authoritative introduction to the field of therapeutic recreation the authors effectively combine a broad orientation to the profession with the practical information necessary for students to become successful practitioners part i contains a comprehensive discussion of the fields history and theoretical underpinnings providing students with the perspective they need to evaluate the social cultural demographic economic and technical forces that have shaped and are continuing to impact health and human services in general and therapeutic recreation in particular part ii introduces students to the client populations served by therapeutic recreation specialists and describes specific approaches and activities employed by tr professionals to help clients achieve meaningful improvements in health status functional capacities and quality of life the authors have retained the practical student oriented approach that makes this an ideal text for introductory courses they address all content areas included in the nctrc certification exam are compatible with the american psychiatric association on psychological classifications and incorporate the world health organizations international classification of functioning disability and health the latest edition contains updated information on baby boomers the obesity epidemic and evidence based practices field based photographs and illustrations and study questions and exercises designed to engage students

recreation leisure

the third edition of this popular book takes the reader through the process of recreation programming material has been added concerning leisure education using volunteers marketing programs and qualitative approaches to evaluating and understanding the diversity of participants basic recreation program areas are presented in terms of how to program the activity experience rather than how to do the activity
